Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby direct the Examiner's attention to the references **A15-A16** and **D11-D12** listed on the attached List of References Cited by Applicant.

Copies of references **D11-D12** are not provided, and the Examiner's attention is directed to the prosecution files of the '551 application for copies of these references.

Identification of the listed references is not to be construed as an admission of Attorneys for Applicants or Applicants that such references are available as "prior art" against the subject application.

Applicants respectfully request that the Examiner review the listed references and that the references be made of record in the file history of the application.
